**Modifications to Perryman Generating Station
Set for Public Hearing**
Public invited to weigh in at virtual hearing

For Immediate Release: June 29, 2022

Media Contact: Tori Leonard | tori.leonard@maryland.gov | (410) 767-8054

(BALTIMORE, MD) – Local residents and other interested members of the public are invited to share their comments on proposed modifications to the Perryman Generating Station in Harford County. A virtual public comment hearing will take place on **Tuesday, July 12, 2022 at 7 p.m.** Public Utility Law Judge Christine L. Burke will preside.

Constellation Power Source Generation, LLC has applied to the Maryland Public Service Commission to modify its Certificate of Public Convenience and Necessity (CPCN) for the Perryman Generating Station, which includes six simple-cycle combustion turbines used to generate power during periods of peak demand. According to its application, CPSG seeks to modify three of the existing oil-fueled combustion turbine units to enable them to self-start without relying on electrical power from the grid and to support a restart of the regional electrical system in the event of a grid outage. The modification primarily consists of the addition of two 2,750 kilowatt (kW) diesel engine generator sets. CPSG will make a presentation about the project at the hearing.

Members of the public who wish to speak at the hearing can sign up by sending an email to psc.pulj@gmail.com by 12 noon on Friday, July 8, 2022. The hearing will be held on the Webex platform and participants will receive an email with the link to join in. For those who just want to watch the hearing, it will be simultaneously livestreamed on the Public Utility Law Judge's YouTube channel (MD PSC PULJs): <https://bit.ly/2X6wLiP>

In addition to the hearings, written comments can be submitted electronically through the Commission's online portal at <https://www.psc.state.md.us/make-a-public-comment/>. Comments may also be sent by mail and should be addressed to: Andrew Johnston, Executive Secretary, Maryland Public Service Commission, William Donald Schaefer Tower, 6 St. Paul Street, 16th Floor, Baltimore, MD 21202. All comments should reference Case No. [9677](#) and be submitted by July 29, 2022.

The application is also available for public inspection and copying at the Aberdeen Branch of the Harford County Public Library, 21 Franklin Street in Aberdeen.

###

About the Public Service Commission:

The Maryland Public Service Commission regulates electric and gas utilities and suppliers, telephone companies (land lines), certain water and sewer companies, passenger motor vehicle carriers for hire (sedans, limousines, buses, Uber, Lyft), taxicab companies (in Baltimore City and County, Charles County, Cumberland and Hagerstown) and bay pilot rates.
