(BALTIMORE, MD) – Local residents and other interested members of the public are invited to comment on a proposal by Chaberton Solar Pine Rock LLC to construct a 3.0 MW solar facility in Carroll County. The hearing will take place on **Wednesday, October 9, 2024 at 5:30 p.m.** before Public Utility Law Judge Kristin Case Lawrence, at Exploration Commons, Carroll County Public Library, 50 E. Main Street in Westminster.

In February 2024, Chaberton Solar Pine Rock applied to the Maryland Public Service Commission for what is known as a Certificate of Public Convenience and Necessity (CPCN), which grants an applicant the authority to construct an energy generating station or high-voltage transmission line in Maryland. According to the application, the solar facility, intended as part of Maryland's community solar program, would be built on approximately 18 acres of a 74-acre property located at 1151 Sullivan Road in Westminster.

The hearing will also have a virtual option for those unable to attend in person. To participate virtually, please sign up in advance to speak by sending an email to psc.pulj@gmail.com by noon on October 8. Participants will receive an email with the link to join in on the virtual platform. Otherwise, a recording of the hearing will be available on the Public Utility Law Judge Division's YouTube channel (MD PSC PULJs): <https://bit.ly/2X6wLiP>

The hearing will include a presentation by the developer, followed by brief statements from the Power Plant Research Program of the Maryland Department of Natural Resources, the Maryland Office of People's Counsel, and the Commission's Technical Staff, and then an opportunity for members of the public to comment on the proposed project.

In addition to the hearing, written comments can be sent (by October 21, 2024) electronically through the Commission's online portal at <https://www.psc.state.md.us/make-a-public-comment/>, or by mail. Comments sent by mail should be addressed to: Jamie Bergin, Chief Clerk, Maryland Public

Service Commission, William Donald Schaefer Tower, 6 St. Paul Street, 16th Floor, Baltimore, MD 21202 (only one copy is required). So that they are noted in the proper case file, all comments should reference Case No. [9725](#).

In addition to the online docket, the application is available for public review at the Carroll County Department of Planning and Land Management, 225 North Center Street in Westminster.
