(BALTIMORE, MD) – Local residents and other interested members of the public are invited to comment on a proposal by Halo Warwick, LLC to construct a 5.0 MW solar generating facility in Kent County. The virtual hearing will take place on **Thursday, May 8, 2025 at 7:00 p.m.** before Public Utility Law Judge Christine L. Burke.

In December 2024, Halo Warwick applied to the Maryland Public Service Commission for what is known as a Certificate of Public Convenience and Necessity (CPCN), which grants an applicant the authority to construct an energy generating station in Maryland. In addition to taking comments from the public, the hearing will include a presentation by the applicant, brief statements by the parties, including the Power Plant Research Program of the Maryland Department of Natural Resources, the Maryland Office of People's Counsel (the state's ratepayer advocate), and the Commission's Technical Staff, as to their respective roles in the case.

Those who would like to speak at the hearing must sign up (by Wednesday, May 7, 2025) through the Calendly app on the Commission's website, [www.psc.state.md.us](http://www.psc.state.md.us):
