Virtual Public Hearing Scheduled for Solar Facility to be Sited in Talbot County

For Immediate Release: September 10, 2025

Media Contact: Tori Leonard | tori.leonard@maryland.gov

(BALTIMORE, MD) – Local residents and other interested members of the public are invited to comment on a proposal by Halo Cordova LLC to construct a 4.0 MW solar generating facility in Talbot County. The virtual hearing will take place on **Wednesday, September 24, 2025 at 6:30 p.m.** before Chief Public Utility Law Judge Kristin Case Lawrence.

In April 2025, the developer applied to the Maryland Public Service Commission for what is known as a Certificate of Public Convenience and Necessity (CPCN), which grants an applicant the authority to construct an energy generating station in Maryland. According to the application, the developer proposes to build the project, intended as part of Maryland's community solar program, on approximately 17 acres of a 38-acre property located near the corner of Cordova Road and Tappers Corner Road in Cordova.

In addition to taking comments from the public, the hearing will include a presentation by the applicant, brief statements by the parties, including the Power Plant Research Program of the Maryland Department of Natural Resources, and the Commission's Technical Staff, as to their respective roles in the case.

Those who would like to speak at the hearing must sign up (by September 22, 2025) through the Calendly app on the Commission's website, www.psc.state.md.us:

- Under 'Featured Topics' on the right side of the webpage, click on 'Public Comment Hearing Sign Up';
- Click on 'Case 9789', and the hearing date and time (September 24 at 6:30 p.m.);
- Click 'Next', enter name and email
- Click 'Schedule Event'

Once the sign up process is complete, registrants will receive a Zoom link. Barring any technical difficulties, the hearing can also be watched on the PULJ Division's (MD PSC PULJs) YouTube channel: <https://bit.ly/2X6wLiP>

In addition to the hearing, written comments can be sent electronically through the Commission's online portal at <https://www.psc.state.md.us/make-a-public-comment/>, or by mail. Comments sent by mail should be addressed to: Jamie Bergin, Chief Clerk, Maryland Public Service Commission, William Donald Schaefer Tower, 6 St. Paul Street, 16th Floor, Baltimore, MD 21202. So that they are noted in the proper case file, all comments should reference Case No. [9789](#).

In addition to the online docket, the application is available for review at Talbot County Permits and Inspections, 215 Bay Street (Suite 3) in Easton.

###

About the Public Service Commission:

The Maryland Public Service Commission regulates electric and gas utilities and suppliers, telephone companies (land lines), private water and sewer companies, passenger motor vehicle carriers for hire, taxicab companies in some jurisdictions and bay pilot rates. The Commission implements the energy policy of the State and also regulates the siting of energy generating facilities and high-voltage transmission lines.
