Virtual Public Hearing Scheduled for Solar Facility Proposed for Cecil County

For Immediate Release: August 21, 2025

Media Contact: Tori Leonard | tori.leonard@maryland.gov

(BALTIMORE, MD) – Local residents and other interested members of the public are invited to comment on a proposal by Telegraph Road Solar 1, LLC to construct a 5.0 MW solar project in Cecil County. The virtual hearing will take place on **Thursday, September 4, 2025 at 6:30 p.m.** before Public Utility Law Judge Amy E. Schaeffer.

In April 2025, Telegraph Road Solar applied to the Maryland Public Service Commission for what is known as a Certificate of Public Convenience and Necessity (CPCN), which grants an applicant the authority to construct an energy generating station in Maryland. According to the application, the developer proposes to build the project, intended as part of Maryland's community solar program, on approximately 40 acres of a 125-acre site located at 524 Telegraph Road in Rising Sun.

In addition to taking comments from the public, the hearing will include a presentation by the applicant, brief statements by the parties, including the Power Plant Research Program of the Maryland Department of Natural Resources, and the Commission's Technical Staff, as to their respective roles.

Those who would like to speak at the hearing must sign up (by 5 p.m. on Wednesday, September 3, 2025) through the Calendly app on the Commission's website, www.psc.state.md.us:

- Under 'Featured Topics' on the right side of the webpage, click on 'Public Comment Hearing Sign Up';
- Click on 'Case 9790', and the hearing date and time (September 4 at 6:30 p.m.);
- Click 'Next', enter name and email
- Click 'Schedule Event'

Once the sign up process is complete, registrants will receive a Zoom link. Otherwise, the hearing can be watched on the PULJ Division's (MD PSC PULJs) YouTube channel: <https://bit.ly/2X6wLiP>

In addition to the hearing, written comments can be sent (by January 12, 2026) electronically through the Commission's online portal at <https://www.psc.state.md.us/make-a-public-comment/>, or by mail. Comments sent by mail should be addressed to: Jamie Bergin, Chief Clerk, Maryland Public Service Commission, William Donald Schaefer Tower, 6 St. Paul Street, 16th Floor, Baltimore, MD 21202. So that they are noted in the proper case file, all comments should reference Case No. [9790](#).

In addition to the online docket, the application is available for review at the Cecil County Department of Land Use and Development Services, 200 Chesapeake Boulevard (Suite 2300) in Elkton.

###

About the Public Service Commission:

The Maryland Public Service Commission regulates electric and gas utilities and suppliers, telephone companies (land lines), private water and sewer companies, passenger motor vehicle carriers for hire, taxicab companies in some jurisdictions and bay pilot rates. The Commission implements the energy policy of the State and also regulates the siting of energy generating facilities and high-voltage transmission lines.
