## **Maryland PSC Reschedules Public Hearing for Choptank Electric Cooperative Rate Request**

(BALTIMORE, MD-January 18, 2018) – The Maryland Public Service Commission has rescheduled a public hearing on a request by Choptank Electric Cooperative, Inc. (“Choptank”) to raise its electric distribution rates by \$8.3 million--an increase of 6.6 percent. Choptank is a member-owned, electric distribution co-op serving approximately 53,000 residential, commercial, and industrial members in all nine counties on Maryland's Eastern Shore. The hearing will be held on **Thursday, February 1, 2018, at 7pm at Choptank's Denton District Office, 24820 Meeting House Road (Routes 404 and 328) in Denton (Caroline County), Maryland.**

The hearing was initially scheduled for January 4, 2018, but was canceled due to weather conditions. Members of the public who wish to comment on the matter are encouraged to attend the hearing before Public Utility Law Judge Ryan C. McLean.

As described in its application, Choptank requires an increase in its rates in order to recover the costs of providing service to its members. The proposed increase to Choptank's rates and charges will result in an increase on the bill of the average residential customer (using 1,000 kWh/month) of approximately \$9.10 per month.

The application and associated filings in the case are available in the electronic docket for Case No. [9459](#), which may be viewed or downloaded at [www.psc.state.md.us](http://www.psc.state.md.us).

Written comments referencing Case No. [9459](#) may also be sent (**by Wednesday, February 7, 2018**) to:
