CASE NO. 9829

August 24, 2026

**PUBLIC UTILITY LAW JUDGE'S NOTICE
OF EVENING PUBLIC COMMENT HEARING**

On October 31, 2025, Harford Chapel Solar, LLC filed an application ("Application") for a Certificate of Public Convenience and Necessity ("CPCN") for authority to construct a 5 megawatt alternating current ("MWac") single-axis tracking solar photovoltaic ("PV") community solar energy generating facility located in Harford County, Maryland (the "Project").¹ The proposed Project is anticipated to occupy approximately 16.7-acres of an approximately 56.86-acre parcel located near 4112 Chapel Road, Havre de Grace, Maryland, and west of Interstate 95, and is described by Harford County Tax Parcel Numbers 02-080257 and 02-062186 (the "Property"). The proposed Project would participate in Maryland's Community Solar Program and deliver its output to subscribers in Baltimore Gas and Electric Company's service territory.

An evening hearing for the purpose of receiving public comments in connection with the Application is hereby scheduled as follows:

Tuesday, October 6, 2026
6:00 p.m.
Havre de Grace Library
120 N. Union Avenue
Havre de Grace, Maryland 21078

The hearing will begin with a presentation of the proposed Project by the Applicant; followed by a presentation by the Department of Natural Resources (DNR), Power Plant Research

¹ The Application is available for public inspection or copying at the Harford County Planning & Zoning Office, 220 S. Main Street, 2nd Floor, Bel Air, Maryland 21014. Additionally, the Application and other pleadings in this matter may be viewed or downloaded from the electronic docket file (9829) available through the Commission's website at www.psc.maryland.gov.

Program (PPRP) of its recommendations with respect to the proposed Project; and followed by the Technical Staff of the Public Service Commission of Maryland (“Staff”) as to its recommendations regarding the proposed Project.
