REVISED NOTICE OF PUBLIC COMMENT HEARINGS

On October 1, 2026,¹ the Commission issued a Notice scheduling three virtual public comment hearings to be held in the above-captioned proceeding. On October 2, 2026, the Office of People's Counsel ("OPC") submitted a request that one of the virtual hearings be held in person to ensure that all Baltimore Gas and Electric ("BGE") customers have an opportunity to comment on the proposed rate increase.² Commission Technical Staff ("Staff") subsequently filed a letter in support of OPC's request.³

After considering the matter, the Commission hereby gives notice that the public comment hearing originally scheduled to be held virtually on **November 18, 2026 will instead be held in-person, beginning at 6:30 p.m.,** in the Frank O. Heintz Hearing Room, William Donald Schaefer

¹ Maillog No. 334867.

² Maillog No. 334958. The Commission notes that although it did not ask the parties to comment on the nature of public comment hearings, it will in this instance allow for that—and indulge the wishes of the parties that filed comments on this issue. The Commission's guiding light in soliciting public comment is generally to encourage the broadest amount of participation possible. Especially in a large service territory, virtual hearings allow more ratepayers to participate, with much more ease. Ratepayers do not need internet access; they may call and participate via a landline.

³ Maillog No. 334967.

Tower, 6 St. Paul Street, 16th Floor, Baltimore, Maryland 21202. Accordingly, the Commission hereby directs the Office of People's Counsel and its Technical Staff to coordinate with the Department of General Services to ensure adequate security and access to the building. Individuals who have questions about hearing attendance should reach out to their ratepayer advocate, the Office of People's Counsel.

The two other public comment hearings previously scheduled for 6:30 p.m. on Monday, October 26, 2026 and Wednesday, November 4, 2026 will remain virtual and otherwise proceed as previously noticed.

By Direction of the Commission,
